case study

# Coquet Trust office refurbishment

Location: Team Valley, Gateshead, Tyne & Wear

## Project Scope:

Coquet Trust's new 3-storey head office building had been unoccupied for some time prior to purchase and required a thorough upgrade and internal redesign to create additional offices, meeting rooms and training rooms from existing open plan areas. Office Options designed new floor plans and provided a full internal fit-out package and project management solution for the project.

### Works included:

- New partition walls & doors
- Glass walls with manifestation
- Retractable folding wall to divide training areas
- Kitchen & washroom upgrades
- Plumbing upgrade including new gas boiler installation for heating
- New under-sink hot water heaters throughout
- New air conditioning systems
- New LED lighting throughout
- Power & datapoint modifications
- LED outdoor lighting upgrade
- Flooring & decorating
- Furniture & seating solutions

The result is a bright and spacious new hub for Coquet Trust to continue to develop and expand their outstanding care and support services!
